

IRPE SPONSORSHIP

2022 CYCLE

Since 2000 our state of Iowa and the Iowa Recognition for Performance Excellence (IRPE) have been recognizing organizations that have transformed to a new level of performance using the National Baldrige framework and the role model leadership that is shared throughout the process.

The **Iowa Recognition of Performance Excellence Celebration** is the premier event to celebrate some of the most successful organizations from across our state and the nation. Your sponsorship is key to the success and continuation of this event. It is imperative that we adopt new and better ways to build sustainable systems to drive improvement in all Iowa-based organizations.

Sponsors are vital to our success and we appreciate your support of the **2022 Iowa Recognition for Performance Excellence**. Please contact us about how you can support our efforts at 319-398-7101 or scott@creativesolutionsgp.com.
